The Board of Podiatry Examiners, originally created by Chapter 173, Acts of 1916, received its present name by Chapter 416, Acts of 1965. The Board consists of six members, five of whom are appointed by the Governor with the advice of the Secretary of Health and Mental Hygiene from a list of qualified podiatrists submitted by the Maryland Podiatry Association. The sixth member is a consumer, appointed by the Governor on the recommendation of the Secretary with the advice and consent of the Senate, who cannot have training as a podiatrist or have a financial interest in a related field. Members serve five-year terms.

The Board examines all persons who wish to practice podiatry in the State. Applicants must have at least two years of education in a recognized college of arts and sciences and be graduates of a college of podiatric medicine recognized by the American Podiatry Association. The examinations, which may be written, oral, or practical, are given twice yearly. The Board also issues annual licenses to all podiatrists engaged in active practice within the State. The Board may, after a hearing, revoke the license of any podiatrist who is charged with malpractice or unethical conduct (Code Health Occupations Article, Title 15).

Subject to the evaluation and reestablishment provisions of the Regulatory Programs Evaluation Act (sunset law) of 1978, authorization for the Board continues until July 1, 1988 (Chapter 170, Acts of 1981).

The practice of psychology in Maryland is reg-

ulated by the State Board of Examiners of Psychologists, established by Chapter 748, Acts of 1957. This Board consists of six members. Five are psychologists appointed by the Governor upon recommendation of the Secretary of Health and Mental Hygiene and with the advice and consent of the Senate from a list of nominees presented by the Maryland Psychological Association, Inc. (Code Health Occupations Article, Title 16). The sixth member is a consumer appointed by the Governor on recommendation of the Secretary with the advice and consent of the Senate. Members of the Board serve three-year terms.

The Board evaluates the qualifications of psychologists in the State and issues certificates to those who fulfill the requirements. Certificates must be renewed annually. The Board administers examinations to qualified applicants for certification at least once each year. The Board annually publishes a complete roster of certified psychologists in the State.

Subject to the evaluation and reestablishment provisions of the Regulatory Programs Evaluation Act (sunset law) of 1978, authorization for this Board continues until July 1, 1989 (Chapter 626, Acts of 1982).

The Board of Sanitarian Registration was created by Chapter 434, Acts of 1969, to issue certificates of registration to applicants who qualify as registered sanitarians or as sanitarians-in-training. The Board consists of six members appointed by the Governor upon recommendation of the Secretary of Health and Mental Hygiene and with the advice and consent of the Senate for five-year terms. Five members must qualify for registration as registered sanitarians, and one member must be a consumer who cannot have training as a registered sanitarian or have a financial interest in a related field. The Board selects its own officers, conducts examinations, and keeps a register of all applicants for registration (Code Health Occupations Article, Title 17).
