

The Board and its administrative staff administer bar examinations twice annually during the last weeks of February and July. Each is a two-day examination of not more than twelve hours' nor less than nine hours' writing time.

Since 1972, the Board has used the Multistate Bar Examination (MBE) as part of the overall examination. The MBE is the nationally recognized law examination consisting of multiple-choice type questions and answers, prepared and graded under the direction of the National Conference of Bar Examiners. The MBE test covers six subjects: contracts, criminal law, evidence, real property, torts, and constitutional law. The MBE test usually is given on the second day of the examination. The first day usually is devoted to the traditional essay examination, prepared and graded by the Board.

Pursuant to the Rules Governing Admission to the Bar, the subjects covered by the Board's essay examination encompass, but need not include, all of the following subject areas: agency, business associations, commercial transactions, constitutional law, contracts, criminal law and procedure, evidence, Maryland civil procedure, property, professional responsibility, and torts. Single questions may encompass more than one subject area and subjects are not specifically labeled on the examination paper.

In addition to administering two regular bar examinations per year, the Board also processes applications for admission filed under Rule 14, which permits out-of-State attorneys who have at least five consecutive years' practice to apply for admission to the Maryland bar. The lawyers' examination is an essay test limited in scope and subject matter to the rules in Maryland that govern practice and procedure in civil and criminal cases and the Code of Professional Responsibility. The test is of three hours' duration and is administered on the first day of the regularly scheduled bar examination.

The requirement that all applicants to practice law in Maryland be domiciliaries of the State by the time of their admission to the bar was abolished in 1982.

Authorization for the Board continues until July 1, 1994 (Code 1957, Art. 10, secs. 2-8).
