

ees' Retirement System of the City of Baltimore; and \$2 million from the State of Maryland.

As a limited partner, the Trust invests in newly formed and existing venture capital funds which, as part of their overall investment strategy, will ensure that a majority of Trust funds are invested in Maryland business enterprises that are in the initial stages of development. Since July 1992, the Trust, in its role as a "fund-of-funds," now has committed its entire \$19.1 million in eight venture-capital partnerships: Catalyst Ventures (\$3 million); Oxford Bioscience Partners (\$3 million); Edison Venture Fund III (\$3 million); GroTech Partners IV (\$3 million); Calvert Social Venture Partners (\$2 million); TDH III (\$2 million); Kitty Hawk Capital L.P., III (\$1.6 million); and Tri-Tech Partners (\$1.5 million).

The Board of Trustees of the Trust has seven members. They are named to four-year terms by the Governor with Senate advice and consent (Code 1957, Art. 83A, secs. 5-301 through 5-309).
