

I therefore respectfully ask, that the Committee raised for this purpose may be required to examine the vouchers for each and every item of expenditure authorised by this Department, and to report fully upon the same. I hope that the suggestions made in this report in regard to the finances, may receive the careful attention of the Legislature, and that the Session may be productive of much substantial benefit to the people of the State.

Respectfully submitted,

LEVIN WOOLFORD,

*Comptroller of the Treasury.*
