

said counties or any city or town therein within fifteen miles of said railroad; provided, that permission be first obtained from the Board of County Commissioners, and if in any town, then the permission of the Town Commissioners, when such exist, but the consent of the owner or owners of such property shall be first had and obtained, unless the same shall be condemned according to law and shall have the power to connect the same with any manufactory, public or private building, or other structure or object, car or conveyance, and in general to manufacture, sell, furnish and supply electric light and electric power or stored electricity or electric machinery and supplies for any and all purposes that may be desired or required within the limits aforesaid; and the said corporation shall also have the power to erect, construct, build and maintain such bridge or bridges over any river or streams in said limits as the directors of said corporation may deem necessary for the uses and purposes of said railway, and to use the necessary means to accomplish all the purpose of said corporation; provided, permission is first granted by the Board of County Commissioners of said counties to use the roads, streets and other public property proposed to be taken. Further provided, however, that nothing in this act shall be construed as permitting the Eastern Shore Power, Light and Railway Company to furnish electricity for lighting purposes in the towns of Pocomoke City, Snow Hill or Berlin in Worcester county, or in any incorporated town in Wicomico county, and said company is hereby expressly prohibited from furnishing electricity for any lighting purposes whatever either in the towns of Pocomoke City, Snow Hill or Berlin, Worcester county, or in any incorporated town in Wicomico county.

SEC. 4. *And be it enacted*, That the Capital stock of said corporation shall be one million dollars, divided into twenty thousand shares of the par value of fifty dollars each; and the directors of said corporation, for the purpose of completing and fully equipping the railway hereinbefore mentioned, may issue, from time to time, mortgage bonds to the amount sufficient, in the judgment of said directors, to complete and fully equip said railway not exceeding one million dollars, and to secure the payment of such bonds by mortgages of all or any part of the property, rights, franchises and revenues of said corporation.

SEC. 5. *And be it enacted*, That all the interest and affairs of said corporation shall be controlled and managed by the persons particularly named in the first section of this act, or such of them as shall accept office, as the board of directors of said
