

ter and things as they may deem advisable to secure and enforce a practical and efficient system for the building, upkeep, work and repair of the roads and bridges of Carroll County.

VEHICLES.

1927, ch. 272, sec. 1.

336. The use of the public roads and highways located within Carroll County, other than highways under the control of the State Roads Commission, by vehicles having a gross weight, including the weight of the vehicle and load, of more than 10,000 pounds, is hereby prohibited unless such roads or highways be frozen at the time of such use, between January 1st and April 15th in each year, and at such other times as the County Commissioners, Road Engineer or other agency of Carroll County having supervision and control of the highways of such county may deem necessary, provided, at such times other than between January 1st and April 15th of each year notices shall be posted along such highway of the limitations of its use.

1927, ch. 272, sec. 2.

337. The provisions of Section 336 shall not apply to vehicles run upon rails or tracks or to police vehicles, fire engines or fire trucks.

1927, ch. 272, sec. 3.

338. Any one violating the provisions of this Act shall, upon conviction before a justice of the peace, or other tribunal having criminal jurisdiction, pay a fine not exceeding one hundred dollars, together with costs of prosecution, and the vehicle operated by such person shall be held as security for the payment of such fine and costs and such person shall stand committed to the county jail until such fine and costs are paid.

ROAD SIGNS.

1900, ch. 58, sec. 1.

339. The Board of County Commissioners of Carroll County shall erect and maintain boards, so painted with letters and figures as to indicate the direction of and distance to the nearest city, town, village, post-office, turnpike or main road in said county, said boards shall be placed at the intersection of all county roads in said county, and in a conspicuous place upon substantial posts, said boards shall be not less than six inches broad and not less than two feet long.

1900, ch. 58, sec. 2.

340. After the erection of said boards they shall be repaired, renewed and maintained by the Road Commissioners in the respective districts in said county from the fund collected for roads in said districts.
