

1935, ch. 282, sec. 400.

476. (Exceptions to Examination Requirements; Present Students and Apprentices.) (a) Any person who has practiced or taught beauty culture or acted as manager of a beauty shop or school of beauty culture, under a certificate, license or permit, for not less than two years in another State, territory, or District of Columbia, or any person who is thus engaged in this State on June 1, 1935, may secure the certificate of registration required by this sub-title without an examination or compliance with other requirements as to age or education, provided such person shall make application to the Board for registration within 60 days after June 1, 1935. Such application shall be accompanied by an affidavit on a form to be furnished by the Board, of a practicing physician that the applicant was examined and is free from all contagious and infectious diseases, and the registration fee required by this sub-title.

(b) Any person studying beauty culture in a school of beauty culture or as an apprentice in a beauty shop in this State on June 1, 1935, shall receive credit for such time and studies without complying with the requirements of this sub-title as to age and preliminary education, provided such person shall make application to the Board for registration as a student or apprentice within 60 days after June 1, 1935, and accompany said application with an affidavit or form to be furnished by the Board of a practicing physician that the applicant is free from all infectious and contagious diseases and a registration fee required by this sub-title.

(c) Any person licensed to practice hairdressing and beauty culture in another State, territory or District of Columbia, under requirements substantially equal to those specified in this sub-title, shall upon the payment of a fee of \$15.00 be entitled to a certificate of registration without examination.

1935, ch. 282, sec. 401.

477. (Requirements of a School of Beauty Culture.) No school of beauty culture shall be granted a certificate of registration unless it shall attach to its staff, as a consultant, a person licensed by this State to practice medicine, and employ and maintain a sufficient number of competent teachers, registered as such, and shall possess apparatus and equipment sufficient for the proper and full teaching of all subjects of its curriculum, shall keep a daily record of the attendance of each student, shall maintain regular class and instruction hours, shall establish grades and hold examinations before issuance of diplomas, and shall require a day school term of training of not less than one thousand hours within a period of not less than six consecutive months, or a night school term of training of not less than 1000 hours within a period of not less than twelve consecutive months for a complete course, comprising all or a majority of the practices of beauty culture, as provided by this sub-title, and to include practical demonstrations and theoretical studies, and study in sanitation, sterilization, and the use of antiseptics, cosmetics and electrical appliances, consistent with the practical and theoretical requirements as applicable to beauty culture or any practice thereof. In no case shall there be less than one teacher to each twenty-five pupils. All schools must be so designated by the name of said school.
