

transportation shall be provided by the Board of Education, as aforesaid, for all the children attending schools described herein, upon the same terms and conditions as now are or as may be hereafter established by the Board of Education of Prince George's County for children attending public schools.

1232. (b) The County Commissioners of Prince George's County are hereby authorized to levy and appropriate annually sufficient funds to defray any costs incurred by it in carrying into effect the provisions of Section 1232 (a) and for the establishment of new bus routes for transporting children to and from the public schools of said County, if in their discretion the Board of Education of Prince George's County and the County Commissioners of said county deem it desirable to establish new routes, and to purchase additional buses, for such transportation. The transportation of children to and from schools not receiving State aid shall be upon such reasonable terms and conditions as the Board of Education may from time to time determine, but in no event shall the amount charged children attending such schools for using said buses or conveyances be greater or less than the amount charged children attending the public schools for the same kind of transportation.

SEC. 2. *And be it further enacted*, That this Act shall take effect June 1, 1947.
