

1 members who are also members of other committees and the  
2 responsibilities they have there are such that we've got  
3 to more or less dovetail these things in. I am in agree-  
4 ment, however, with this panel thought and I would like  
5 to take advantage of it to put further pressure on all  
6 the other members of this Committee to be present at  
7 that meeting.

8 I think, too, if we do move from Monday to  
9 Tuesday, we may have a conflict with --

10 MR. BROOKS: I think it does create a lot of  
11 problems. I think it would facilitate using Mr. Pollack.  
12 On the other hand, we might limit that Monday meeting to  
13 merely a presentation of his thoughts on municipal govern-  
14 ment to this Committee and not have any other consultants  
15 at that time, not have a full-blown panel, but have a  
16 more detailed panel with other relatively closer persons  
17 that Professor Pollack could --

18 THE CHAIRMAN: And if we meet this schedule  
19 that I have already outlined here, we might make that  
20 information available to him, so we could get comment  
21 from him that is particularly applicable to our situation.
