

1 a list of such research questions, some nine in number,  
 2 and I have added one to that which I am going to turn  
 3 around and make the number one question and I would like  
 4 to briefly run over that list with you, because we do not  
 5 have enough copies, I don't believe, for distribution.

6 DR. LOEVY: I have put one copy on each table,  
 7 so they do have one before them.

8 THE CHAIRMAN: All right, fine. We will run  
 9 over them anyway, and the purpose of going over them will  
 10 be to make sure that they do state what we want researched  
 11 and then we can add any other questions we may feel are  
 12 necessary.

13 The first question that I would like to see  
 14 researched, and I am adding to the list as number one, is  
 15 a complete analysis of the existing county and city govern-  
 16 ments in the State as of the present time.

17 MR. MELVIN: I think that is an excellent idea.

18 THE CHAIRMAN: Now, I am hopeful that a great  
 19 deal of the material has already been gathered together  
 20 and possibly either Mr. Thompson or Mr. Ratchford may  
 21 know where that information can be readily obtained,
