## HALL OF RECORDS COMMISSION

During the fiscal year there were no changes in the Hall of Records Commission. This fortunate circumstance gave the new Archivist the advantage of a Commission whose members were all well-acquainted with the affairs of the Hall. The Commission is at present composed of the following:

- HONORABLE CARROLL TANEY BOND, Chief Judge, Court of Appeals,  
Chairman  
HONORABLE HERBERT R. O'CONNOR, Governor  
HONORABLE J. MILLARD TAWES, Comptroller  
DR. FRANK STRINGFELLOW BARR, President of the St. John's  
College  
HONORABLE GEORGE S. RADCLIFFE, President of the Maryland His-  
torical Society  
DR. J. HALL PLEASANTS, President of the Peabody Institute.  
DR. ISAIAH BOWMAN, President of the Johns Hopkins University

Two meetings of the Commission were held, April 5, 1940 and October 4, 1940. A quorum was not had at the first meeting but the members present, Judge Bond, Dr. Pleasants and Dr. Barr examined with the Archivist the question of a publication program for the Hall of Records. Present at the second meeting were Dr. Bowman and Mr. Tawes, Judge Bond, Dr. Barr and Dr. Pleasants. At this time the Commission agreed that a publication program would be desirable.
