Written requests for information continued to come in at about the same rate as during the last few years. They came from forty-one states and four foreign countries. The majority of inquiries had to do with genealogy and local history, but every other possible subject was represented: laws, charters, incidents in state history, institutional history, archival procedure, location of records and so forth. A comparison of the number of letters for the past three years follows:

Fiscal Year 1948.....	1,137
Fiscal Year 1949.....	1,150
Fiscal Year 1950.....	1,113
