STAFF NOTES

GENERAL ADMINISTRATION—PROGRAM 1

Eunice L. Callahan, who was employed as Senior Account Clerk May 28, 1958, resigned May 15, 1959, to accept employment at the United States Naval Academy. We regretted the loss of Miss Callahan as she had proved to be both industrious and intelligent. We have become accustomed, however, to the transfer of clerical employees to the Academy where the salary scale is higher, and because of the size of the institution, the chances of advancement are better. Miss Callahan was succeeded June 1, 1959 by Michael M. Wilson.
