

gave us a large collection of Maryland Court of Appeals *Reports*. We also received genealogies of the Chance, Ferrell, Frazier, Duvall and Stringer families. Mrs. Irma Tilghman permitted us to photostat her copy of the *Atlas of Wicomico, Somerset and Worcester Counties*. Vera Filby gave us a copy of her history of the community of Savage in Howard County.

We purchased more books than usual during the year. This was partially because we added a large number of Quaker publications which supplement our holdings of the records of that denomination. We continued our purchases of Mr. McAllister's *Abstracts from Dorchester County Land Records*. From the Maryland Historical Society we purchased a replacement copy of Mrs. Passano's *Index of Source Records of Maryland* and a copy of Professor Callcott's *History of the University of Maryland*. We were happy to welcome the new reprint editions published by the Folklore Associates.

By exchange, we received guides to the holdings of archival agencies in West Virginia, Nebraska and Illinois. By deposit we have received copies of the codes of Caroline, Carroll, Charles, Harford and St. Mary's Counties, as well as the journals, laws and supplements to the 1957 Annotated Code of Public General Laws.

Our library now contains approximately 7,600 titles.
