

timore, which remain uncollected, shall, when collected, be paid to the treasurer of Baltimore county, appointed by the commissioners of said county; and all such part or parts of the said county tax, as has or have been collected by the collectors heretofore appointed for that purpose, and remaining in their hands, shall be paid by the said collector or their representatives to the said Treasurer, and shall by him be paid and applied under the direction of the commissioners of Baltimore county, to the purposes and objects for which the same were originally levied. And the said commissioners of Baltimore county, shall have the same powers to enforce the collection and payment over by the collectors, of the said county tax, as were heretofore exercised or possessed by the justices of the levy court of Baltimore county, to all intents and purposes whatsoever, and all monies in the hands of the clerk of Baltimore city court, and which he shall hereafter receive, made payable by law, to the justices of the levy court of Baltimore county, or applicable to the payment of the repairs and expenses of the jail and other joint charges of the said city and county of Baltimore, after deducting commission at the same rate which the said clerk is authorised to retain, for monies received by him for the state, shall be by the said clerk divided, apportioned and paid over as follows: That is to say, two fifths of the amount of such monies to the treasurer of Baltimore county, for the time being, to be by him, applied under the direction of the commissioners of Baltimore county, to the payment of the said joint expenses and charges; and the remaining three-fifths to the Mayor and City Council of Baltimore, to be applied by them to the payment of the said joint charges and expenses.

CHAPTER 33.

An act to provide for the valuation and condemnation of water at the mouth of Windsor's creek, in Somerset county, for the erection and establishment of a Tide Mill.

Passed February 1
1827.

WHEREAS, Arthur Dashiell, of Somerset county, has by his petition to this General Assembly represented, that the erection and establishment of a tide mill, at the mouth of Windsor's creek in said county, would conduce to the benefit of the citizens of Somerset and the neighboring county, and it appearing that this representation is correct, and whereas, it also appears that such a mill cannot be erected unless said Dashiell have relinquished to him the right of the state to the water of said creek, and the land which it covers as far as low water mark, Therefore

Preamble.

SECTION 1. *Be it enacted by the General Assembly of Maryland,* That all the right and interest of the state, in and to the water of Windsor's creek in Somerset county, at the mouth of said creek, as far as low water mark, and the adjoining the land

Right granted previous
1808.
