

CHAP. 556.
Place
of holding
meetings, etc.

11. *And be it enacted*, That the office of said company shall be in Hagerstown, Maryland, and the annual and all other meetings of the company and the board of directors for transacting the business of the company shall be held at their office in the aforesaid place, and at the annual meeting of the company the members shall pass all by-laws, rules and regulations necessary for the well government of the affairs of said corporation. It shall be the duty of the secretary and treasurer at such annual meetings to have all books and writings concerning the company at such place of meeting, and any member of the company shall be allowed to examine the same.

SEC. 2. *And be it enacted*, That this Act shall take effect from the date of its passage.

Approved April 15, 1902.

CHAPTER 557.

AN ACT to repeal and re-enact with amendments Section 2 of Chapter 712 of the Acts of the General Assembly of Maryland, passed at the January Session, 1900, entitled an Act to incorporate the Girdle Electric Railway Company, and to re-enact the same with amendments.

Repeal
and re-enact.

SECTION 1. *Be it enacted by the General Assembly of Maryland*, That section 2 of chapter 712 of the Acts of 1900, of the General Assembly of Maryland, entitled an Act to incorporate the Girdle Electric Railway Company, be and the same are hereby repealed and re-enacted, so as to read as follows :

Authority to
survey,
locate, estab-
lish and
operate a
railway.

SEC. 2. *And be it enacted*, That the company hereby incorporated shall have power to survey, locate, establish, construct, equip, operate and maintain in Baltimore county, as hereinafter mentioned, a double track or single track railway, with as many sets of tracks, switches, turnouts and sidings as said company shall deem expedient or proper for the transportation and carriage of passengers, produce, stock, freight, merchandise, parcels and packages in cars drawn or propelled by electricity in any form, or by compressed air, or by any other improved motive power, including steam, and either separately, or in trains, and shall have full power and right to erect and maintain all motors, engines, poles, conduits, trenches, wires, cables and other connections and things necessary for said purposes, and shall have further power to build bridges, depots, stations, machinery, power houses, engine-houses, car barns and all other appurtenances to said railway,
