

CHAP. 708

on such terms as to compensation to the county as the Board of County Commissioners of Baltimore county or other board having charge or control of the public highways of said county shall prescribe; and provided further, that the use by the said company of such public highways as are contained in the foregoing territorial limits lying in Baltimore city shall be with the consent and under such regulations as to construction, maintenance and repair, and on such terms as to compensation to the said city of Baltimore or the Mayor and City Council of Baltimore city, as shall be prescribed by the said Mayor and City Council or their agents having control of the public highways.

Proviso.

New section added.

SEC. 2. *And be it enacted*, That an additional section be added to the said Chapter 229 of the Acts of the General Assembly of Maryland, in the year 1904, entitled, "An Act to incorporate the Roland Park Electric and Water Company," to be known as Section 4B.

May furnish and sell heat, hot water, hot and cold air, refrigeration and ice for domestic purposes.

Section 4B. *And be it enacted*, That within the following territorial limits in Baltimore county and Baltimore city (and not outside of said limits), that is to say: Beginning for the same at the intersection of the eastern outline of the right of way of the Northern Central Railway with the northern corporate limits of Baltimore city, and running thence eastwardly bounding on said northern corporate limits to the east side of Roland avenue; thence southerly along the east side of Roland avenue, as said Roland avenue is laid out and constructed in said Baltimore county and in Baltimore city, to the north side of Fourth avenue; thence eastwardly along the north side of Fourth avenue to Cedar avenue; thence by a straight line due east to the east side of Charles street avenue; thence northwardly bounding on the east side of Charles street avenue to the north side of Lake avenue; thence westwardly bounding on the north side of Lake avenue to the west side of the Falls turnpike road; thence southwardly on the west side of the Falls turnpike road to the north side of Belvedere avenue; thence westwardly on the north side of Belvedere avenue to the eastern outline of the right of way of the Northern Central Railway; thence southwardly on said eastern outline to the place of beginning, the said Roland Park Electric and Water Company shall have full power and authority to manufacture, buy, furnish, distribute, supply, sell or otherwise dispose of heat, hot
