

123A. All certificates or diplomas issued to students having completed a course of study in a high school of the counties of Maryland shall show the groups to which said high school belongs, the course taken by the student, and the number of years of instruction given, and the graduates of any approved high school providing a four years' course shall be admitted without examination to the freshman class of any college in Maryland receiving financial aid from the State.

123B. The State Board of Education shall prepare the course of study to be used by the several groups of high schools described in this Article, and have authority to make any by-law for their government not at variance with the provisions of this Article.

144. The Superintendent of Public Education shall supervise and inspect the work of Industrial and Agricultural Training done in the several counties of the State under the provisions of this Article; collect all necessary statistics pertaining thereto, and annually, on or before the 20th day of August of each year, certify to the Comptroller the names of such counties as shall have complied with the provisions of this Article relating to such training; and upon the receipt of said certificate from the Superintendent of Public Education, but not otherwise, the Comptroller shall draw his warrant upon the Treasurer payable to the order of the Treasurer of the Board of County School Commissioners of the county so certified as entitled to receive the same, for the full amount of money so certified to be due to such county under the provisions of this Article; and the Superintendent of Public Education shall, on or before the 20th day of August of each year, submit to the State Board of Education a full report of all matters pertaining to Industrial and Agricultural training in such counties, and attach thereto a copy of the certificate filed by him with the Comptroller.

145. The several Boards of County School Commissioners are hereby authorized to make Manual Training, Domestic Science and Agriculture a part of the course of instruction in any of the schools of their respective counties that they, in their judgment, may think advisable, provided that said instruction shall conform to the course prescribed by the State Board of Education.

SEC. 2. *Be it further enacted*, That all Acts or parts of Acts inconsistent with the provisions of this Act be and the same are hereby repealed in so far as they are at variance herewith, provided that nothing in this Act shall be construed to repeal the provisions of Sections 16, 17 and 18 of Chapter 275 of the Acts of 1896 applying to the Annapolis public and high
