

nated by him, and the result of such inspection shall be submitted to the State Board of Education not later than the fifteenth day of July of each year. The State Board of Education shall submit annually to the Comptroller of the State on or before the twentieth day of September a list of such schools entitled to receive the special appropriation for industrial education.

141. The Comptroller of the Treasury, upon receiving the certificate of approval from the State Board of Education, is hereby authorized and directed to issue his warrant upon the Treasurer of the State for the sum of fifteen hundred dollars, payable to the order of the treasurer of the Board of County School Commissioners having inaugurated such a colored industrial school and same approved by the State Board of Education, out of any money in the State Treasury not otherwise appropriated, on the first day of October of each year; one part of said appropriation—about one-half—to be used for the support of one colored industrial school in the county, and the other part—about one-half—shall be used by the Board of School Commissioners of the county where said colored industrial school is located, for the employment of a capable and trained supervisor of colored schools, who shall be required to visit, under the direction of the county superintendent, all the colored schools of the county as often as said county superintendent may direct, and cause instruction of an industrial character to be made a daily part of the work of every colored school. The management and control of such an industrial school and the employment of a supervisor shall be in the hands of the Board of County School Commissioners of the county where such school is located.

143. No appropriation for the full amount of fifteen hundred dollars, hereby authorized for the support of one central colored industrial school and for the employment of a colored school supervisor in such county where the colored industrial school may be located, shall be paid as authorized after the first annual appropriation, unless said colored industrial school shall have had for the preceding year an average attendance of thirty pupils and as many as ten colored schools in the county where such industrial school is located. If in any county where there are less than ten colored schools, a colored industrial school shall be established, the State Board of Education, in its discretion, may recommend the payment of a part of said appropriation, not to exceed one-half the amount, or seven hundred and fifty dollars; and when such recommendation is made to the Comptroller, he is authorized and
