CHAPTER 718.

AN ACT to release the Minister and Trustees of the Starr Methodist Protestant Church from the payment to the Mayor and City Council of Baltimore of any assessment for benefits in connection with the widening and extending of Pratt street, from Light street to West Falls avenue, upon its wharf property on the east side of Light street.

Whereas, The Burnt District Commission, acting under Chapter 87 of the Acts of 1904 of the General Assembly of Maryland, and Ordinance No. 66 of 1904 of Baltimore City, in connection with the widening and extending of Pratt street, from Light street to West Falls avenue, in Baltimore City, made an award to the amount of \$775 for benefits against and upon the wharf property belonging to the Minister and Trustees of the Starr Methodist Protestant Church, as shown upon the map accompanying the return of said commission, and known as Lot 314 on Benefit Plat No. 26, for the widening of Pratt street; and

Whereas, The said commission assessed for benefits the wharf property adjoining Lot No. 314, which assessments have been entirely released by an order of the Baltimore City Court; said order being affirmed by the Court of Appeals of Maryland; and

Whereas, The said wharf property belonging to the Minister and Trustees of the Starr Methodist Protestant Church is the only wharf property on Light street which is assessed for benefits for the said widening of Pratt street; the wharf property to the north and south thereof being entirely released from all assessments of benefits for said widening of Pratt street; and

Whereas, It is only fair and just to the owner of said Lot No. 314 that said assessment of \$775 be released, inasmuch
