CAPT. GEORGE W. BROWNE.

It is not possible to praise too highly the splendid effort made by Capt. George W. Browne to advance the "profitable, pleasurable recreation idea."

At the expense of much energy Capt. Browne has purchased three steamers for the enjoyment of our people, the third and best costing over \$50,000.

Each year more than 225,000 people enjoy the healthful trips to Greater Browne's Grove and from that number much aid is rendered the churches and other charitable organizations.

The charitable and business world would be greatly advanced if we had a few more Captain Brownes.
