## A Woman's Touch

In a home disrupted by bereavement there are innumerable ways in which a lady assistant lends a helping hand. By her kindly manner and diligent application, order is brought out of chaos. Her womanly intuition adds warmth and understanding to the simplest detail. She anticipates every need in the household and is, by nature, able to sympathize perfectly with every member of the family. Such an assistant is part of our service.

Madison 0692

# Mrs. Geo. H. Holland

*Funeral Directress and Embalmer*

1631 Druid Hill Avenue

Baltimore, Md.
