

The State Registrar shall certify on each certificate the total amount owing to the person to whom such certificate is issued, provided that the State Registrar shall certify separately the number of incomplete, defective or belated certificates, and for such incomplete, defective or belated certificates a fee shall be certified equal to one-half the amount of compensation provided in this Section for proper and correct certificates and records of births and deaths.

SEC. 19. That every physician, midwife and undertaker shall without delay register his or her name, address and occupation with the local registrar of the district in which he or she resides or may hereafter establish a residence, and shall thereupon be supplied by the local registrar with a copy of this Act, together with such rules and regulations as may be prepared by the State Board of Health relative to its enforcement. Within thirty days after the close of each calendar year each local registrar shall make a return to the State Register of all physicians, midwives and undertakers who have been registered in his district during the whole of any part of the preceding calendar year; provided, that no fee or other compensation shall be charged by local registrars to physicians, midwives or undertakers for registering their names under this Section or making returns thereof to the State Registrar.

That all superintendents or managers or other persons in charge of hospitals, almshouses, lying-in or other institutions, public or private, to which persons resort for treatment of diseases or are confined or are committed by process of law are hereby required to make record of all the personal and statistical particulars relative to the inmates in their institutions at the date upon which this Act takes force and effect that are required in the forms or the certificates provided for in this Act, as directed by the State Registrar, and thereafter such record shall be by them made for all future inmates at the time of their admission. And in case of persons admitted or committed for medical treatment of disease the physician in charge shall specify for entry in the record the nature of the disease and where, in his opinion, it was contracted. The personal particulars and information required by this Section shall be obtained from the individual himself if it is practicable to do so, and when they cannot be so obtained they shall be secured in as complete a manner as possible from relatives, friends or other persons acquainted with the facts.
