CHAPTER 725.

AN ACT empowering the County Commissioners of Caroline County, in their discretion, to expend such sums in co-operation with the State Roads Commission of Maryland as may be necessary to build a macadam, concrete or other durable road from some point in Caroline County to the Delaware State line.

SECTION 1. *Be it enacted by the General Assembly of Maryland*, That the County Commissioners of Caroline County be and they hereby are empowered, in their discretion, to construct, in co-operation with the State Roads Commission of Maryland, a road of macadam, concrete or other durable material from a point in Caroline County, to be decided upon by them and the State Roads Commission of Maryland, on the line of the Maryland State Road to the Maryland and Delaware boundary line, upon their securing a bidding agreement with the proper Delaware authorities to construct a like road from the Du Pont Boulevard, or any State road already built, or that may hereafter be built, to a point on the Maryland and Delaware boundary line to meet the proposed new Maryland road (the point on the Maryland and Delaware boundary line to be agreed upon between the County Commissioners of Caroline County, the State Roads Commission of Maryland, and the Delaware authorities) and thus connect the Maryland State road with the Du Pont Boulevard, or any State road already built, or that may hereafter be built, and to expend such sums as may be necessary to carry out the purpose of this Act.

SEC. 2. *And be it further enacted*, That the County Commissioners of Caroline County are authorized to levy upon the taxable property of Caroline County, and to collect as other taxes are collected, a sum of money sufficient to carry out the purposes of this Act.

Approved April 16, 1920.
