

HOISTING MACHINES!

FOR WAREHOUSES.

BEST AND

CHEAPEST.

The subscriber having been engaged in this business for the last twelve years in connection with his Iron Foundry, and will guarantee a better Hoisting Machine for less money than any can be produced in this city. Every merchant and owner of a warehouse will save the expense in a short time, to say nothing of the safety of his goods in being hoisted some sixty or eighty feet above his head. I would refer to some of the principal merchants in Baltimore and elsewhere for whom I have put up these Hoisting Machines. The wheels are in use, and can be seen daily at work.
