

Brentwood. The special election, if held, shall be conducted in the same manner as the general town election.

The ballots shall be prepared as ballots are prepared for general town election and shall have printed thereon, among other things, the words "For a Special Assessment Not to Exceed 10 Cents on Each \$100.00 of Real and Personal Property to be Used for the Maintenance of the Brentwood Volunteer Fire Department" with a blank square opposite at the right of said words; and immediately thereunder shall be the following words: "Against a Special Assessment Not to Exceed 10 Cents on Each \$100.00 of Real and Personal Property to be Used for the Maintenance of the Brentwood Volunteer Fire Department," with a blank square opposite at the right of said words.

And in the event that at such election, whether special or regular town election, the majority of votes cast for and against this Act allowing the special tax shall be in favor of allowing said special tax, then this Act shall be in full force and effect; but in event that the majority of votes so cast shall be against allowing the special tax, then the Mayor and Town Council may submit the same question in the same manner and under this Act to the qualified voters of said town at the next general town election, and if a majority of the votes cast upon said question shall be for a special assessment of not to exceed 10 cents on each \$100.00 of real and personal property on the books of said town to be used for the maintenance of the Brentwood Volunteer Fire Department, then this Act shall be in full force and effect; but if a majority of the votes so cast upon said question shall be against a special assessment of not to exceed 10 cents on each \$100.00 of real and personal property to be used for the maintenance of the Brentwood Volunteer Fire Department, then this Act shall be void and of no effect.

SEC. 4. *And be it further enacted*, That this Act is hereby declared to be an emergency law and necessary for the immediate preservation of the public health and safety, and being passed upon a ye and nay vote supported by three-fifths of all the members elected to each of the two Houses of the General Assembly, the same shall take effect from the date of its passage.
