

Section 393, to provide for the appointment of a County Engineer by the County Commissioners of Prince George's County, to prescribe his duties and to fix his salary.

SECTION 1. *Be it enacted by the General Assembly of Maryland*, That a new sub-title and a new section be added to the Code of Public Local Laws of Prince George's County, Maryland (Flack's Edition, 1943), to be known as "County Engineer", and Section 394, respectively, and to follow immediately after Section 393, to read as follows:

#### COUNTY ENGINEER.

394. The Board of County Commissioners of Prince George's County are authorized and empowered to appoint in the month of June, 1945, and every two years thereafter, some person who is duly qualified as a "Registered Professional Engineer", under the provisions of Article 75½ of the Code of Public General Laws of Maryland, as County Engineer of said County, who shall perform such engineering duties and do and conduct such engineering work, including but not limited to the establishment of minimum road, street, alley, curb and sidewalk standards, in regard to the property and affairs of the County as the Board of County Commissioners may direct and require. The County Engineer so appointed shall receive a salary to be fixed by the Board of County Commissioners, not to exceed the sum of Four Thousand Eight Hundred Dollars (\$4,800.00) per annum, payable in equal semi-monthly installments.

SEC. 2. *And be it further enacted*, That this Act shall take effect June 1, 1945.

Approved April 27, 1945.
