NO. 4.

(Senate Joint Resolution 8)

A Joint Resolution relating to the inlet at Ocean City, Worcester County, Maryland.

WHEREAS, it appears that the inlet leading from the Atlantic Ocean into the Sinepuxent Bay at Ocean City, Worcester County, Maryland, has recently become shallowed to the extent that its depth of water is now insufficient for the safe passage between the Ocean and bay of fishing crafts which frequent the excellent fishing banks off that shore, and are in consequence deprived of a nearby port for the disposal of their catch and of an accessible harbor in case of storm, resulting further in the loss of an increasing business to that port and community; and

WHEREAS, the present condition of said inlet seriously impairs, and is detrimental to its full usefulness and has now become a serious hazard to those attempting to use this inlet; therefore be it

*Resolved by the General Assembly of Maryland,* That the Secretary of War of the United States be and he is hereby requested to provide, as promptly as may be possible, for the deepening of the inlet leading from the Atlantic Ocean into the Sinepuxent Bay at Ocean City, Worcester County, Maryland; and be it further

*Resolved,* That the Secretary of the State of Maryland be and he is hereby requested to transmit under the Great Seal of the State, a copy of the foregoing resolution to the Secretary of War of the United States and to each of the Representatives from Maryland in both Houses of Congress.

Approved March 24, 1945.
