

which the Council shall provide, the names, addresses, and election precincts of all persons whose names shall appear on the lists certified by the Boards of Election Supervisors under the provisions of the next succeeding section. In the event that the Council shall establish more than one polling place, it shall by ordinance provide for the separation by districts of the cards bearing the names of the voters, and for furnishing the said cards for each district so established to the judges and clerks at the respective polling places.

The candidate receiving the largest number of votes for Mayor shall be declared elected. The candidate receiving the largest and the candidate receiving the next largest number of votes for Councilmen from the Fourth and Twentieth Precincts of the Thirteenth Election District of Montgomery County and the candidate receiving the largest and the candidate receiving the next largest number of votes for Councilmen from the Sixth and Twenty-first Precincts of the Thirteenth Election District of Montgomery County and the candidate receiving the largest number of votes for Councilman from the Ninth and Twenty-second Precincts of the Thirteenth Election District of Montgomery County and the candidate receiving the largest and the candidate receiving the next largest number of votes for Councilmen from that portion of Prince George's County within the boundaries of the City shall be declared elected.

(B) The Mayor and City Council of Takoma Park are authorized and empowered to purchase, rent, lease or otherwise acquire such number of voting machines as may be required to equip with voting machines the polling place or places within said City and to use and employ such machines so acquired at all municipal elections.

(C) The Mayor and Council may by ordinance provide that the method of conducting an election or referendum shall be by means of voting machines or by means of paper ballots, and in the event voting machines are used that the manner of conducting such election or referendum shall be the same as nearly as practicable as that used in Montgomery County, or that used in Prince George's County in the event that voting machines shall be used or employed in that County; except, however, that in any election held or conducted in Takoma Park the names of all candidates for office shall appear upon the voting machine or ballot without party designation.

(D) All voting machines used in any general or special election in Takoma Park shall remain locked and sealed thereafter for a period of twenty days next succeeding such election, after which time such machines may be unsealed and
