

### House Bill No. 119—Construction of State Roads

AN ACT to repeal and re-enact, with amendments, Section 205 of Article 89B of the Annotated Code of Maryland (1957 Edition), title "State Roads", sub-title "State Highway Construction Bonds, Second Issue", relating to construction of State Highways in the several counties of the State.

April 3, 1958.

Honorable John C. Luber  
Speaker of the House of Delegates  
State House  
Annapolis, Maryland

Dear Mr. Speaker:

An apparent error in amending House Bill 119 renders a portion of the Bill (line 38 on page 2) unintelligible. House Bill 8, passed at the Special Session of 1958, eliminates this confusion, and has been signed by me. Since House Bill 8 accomplishes the intended purpose of House Bill 119, to provide for consultation by the State Roads Commission with local authorities with respect to changing priorities or substituting projects, I have vetoed House Bill 119, which is returned herewith.

Respectfully,

(s) THEODORE R. MCKELDIN,

Governor.
