MESSAGE FROM THE EXECUTIVE

EXECUTIVE DEPARTMENT

Annapolis, Md., March 9, 1962.

Mr. Speaker and Members of the House of Delegates:

I wish to express my personal appreciation to each of you for remaining here during this extra period to carry on the lawmaking functions of our State Government. I regret that the need arose to keep you here beyond the period of the regular session, but it is my Constitutional responsibility, under extraordinary situations, to convene the General Assembly in Special Session to meet the demands of the occasion. It was my judgment that such condition existed.

My primary purpose in calling the special session of course was to ask you to consider legislation to guarantee the equality of public accommodations within the State. In your judgment, as the legislative representatives of the people, you saw fit to reject this legislation.
