Dear Mr. President:

I have today vetoed Senate Bill No. 214 and in accordance with the provisions of Article 2, Section 17 of the Maryland Constitution, I am returning this bill to you along with my veto message.

This particular bill was designed to permit an additional three-day open season for the hunting of antlerless deer in five counties in our State.

House Bill No. 408, which, among other things, accomplishes this same result, was signed into law on April 24, 1961.
