No. 46

(Senate Joint Resolution 36)

Senate Joint Resolution requesting the Board of Public Works to support the planning and organizing of a scientific and professionally-oriented university center.

WHEREAS, there is an expanding need for academic facilities to train citizens in science-oriented and professional subjects primarily beyond the graduate level in the Washington metropolitan area; and

WHEREAS, government agencies engaged in science, research and development and technically-oriented industrial firms offer the potential support in these fields of facilities, equipment and a highly qualified academic staff; and

WHEREAS, the Montgomery County University Foundation, a Maryland corporation, has been formed to foster and organize a University Center by integrating these facilities and skills; and

WHEREAS, the University Center will undertake its first course work in the current year; now therefore, be it

*Resolved by the General Assembly of Maryland*, That the Board of Public Works is requested to make available to the Montgomery County University Foundation by budget amendment an amount not exceeding \$25,000.00 for the purposes of planning and organizing a scientific and professionally-oriented University Center subject to:

(1) the review and approval of projects by the Maryland Advisory Council for Higher Education; and

(2) such appropriations being matched on an equal basis by grants of other governmental agencies, industry, private institutions, or foundations.

Not signed by the Governor.
