

to the County of retiring or redeeming the aforementioned outstanding bonds, AND ANY AND ALL INTEREST INCURRED OR PAID BY WORCESTER COUNTY IN CONNECTION WITH THE ISSUE OF SUCH BONDS.

(c) If legislation is enacted into law providing for the acquisition of the remainder of the Island not owned by the State of Maryland by an Agency of the United States Government, the Board of Public Works and the State Roads Commission shall, after considering the nature and scope of such legislation, and after considering the sum repaid to or to be repaid to Worcester County, shall determine the total remaining cost of the bridge to be paid by the State of Maryland or an Agency thereof. One-half of the total sum of the cost of the bridge which must be paid by the State of Maryland shall be paid by the State Roads Commission from its construction fund and the remaining one-half shall be paid by the State of Maryland. The Board of Public Works is authorized to pay the share found to be due by the State from the Emergency Fund or the Governor shall include provision for the payment thereof in the Budget Bill submitted to the 1966 Session of the General Assembly and upon said sum being made available, the Board of Public Works shall reimburse the State Roads Commission the portion of the cost determined to be paid by the State and if the Board of Public Works shall so direct, the State Roads Commission is hereby authorized to advance the amount to be reimbursed by the State until State funds are available to pay same.

(d) If such proposed legislation is enacted by the United States Congress and if additional legislation be necessary to implement this Act, it shall be considered by the 1966 Session of the General Assembly.

SEC. 2. *And be it further enacted*, That this Act shall take effect June 1, 1965.

Approved May 4, 1965.

CHAPTER 660

(Senate Bill 506)

AN ACT to waive the provision of Section 9 of Chapter 903 of the Acts of 1963, said section relating to the time by which projects contained in the General Construction Loan of 1963 must be placed under contract, insofar as the provisions of said section relate to an item contained in said Act for State Colleges—Frostburg State College (referred to therein as the Department of Education—Frostburg State Teachers College) relating to the construction of a new Science Building, and to an item contained in said Act for the University of Maryland—Baltimore relating to the first stage of construction of new Out-Patient Building; and to extend for two years, the period during which the said items may be placed under contract.

SECTION 1. *Be it enacted by the General Assembly of Maryland*, That the provisions of Section 9 of Chapter 903 of the Acts of 1963,
