

*sibility for jail conditions, maintenance and improvement of the facility, purchasing of supplies, the treatment of prisoners, the staffing of the jail, need for additional employees, and the arrangement of prisoners. The Board shall insure that prisoners are separated by appropriate category and that those awaiting action of a grand jury are not confined with those who have been convicted and sentenced. The Board shall prepare and maintain a current master plan for jail improvement. The Board shall submit a monthly report, which shall be available to the public, to the County Commissioners and Sheriff of Cecil County.*

*(c) The Jail Board shall have full authority to oversee the operation and maintenance of the county jail, and its powers also include but are not limited to hearing complaints from the public concerning the jail or any aspect of its operation and promulgating rules and regulations for the operation of the jail not inconsistent with applicable laws and ordinances. The expenses of operating the jail and actual expenses incurred by the Board in connection with its business shall be provided for in the Sheriff's budget.*

SEC. 2. *And be it further enacted, That this Act shall take effect July 1, 1970.*

Approved April 22, 1970

CHAPTER 332  
(House Bill 294)

AN ACT to repeal and re-enact, with amendments, Sections 342(d), 420(n), 422 and 423 of Article 41 of the Annotated Code of Maryland (1969 Supplement), title "Governor-Executive and Administrative Departments," subtitles "Commission on Physical Fitness" and "Greater Baltimore Consolidated Wholesale Food Market Authority," amending the Governor-Executive and Administrative Departments laws of this State in order to make certain corrections in the language thereof.

SECTION 1. *Be it enacted by the General Assembly of Maryland, That Sections 342(d), 420(n), 422 and 423 of Article 41 of the Annotated Code of Maryland (1969 Supplement), title "Governor-Executive and Administrative Departments," subtitles "Commission on Physical Fitness" and "Greater Baltimore Consolidated Wholesale Food Market Authority," be and the same are hereby repealed and re-enacted, with amendments, to read as follows:*

342.

(d) The Commission, with the approval of the Secretary of Health and Mental Hygiene, may employ professional, technical, clerical, stenographic, and other personnel to carry out its duties and functions within the limits of budgetary appropriations from time to time. None of the employees or officers of the Commission are subject to the provisions contained in Article 64A of this Code, title "Merit System."
