

by the Department of Permits and Licenses, together with any supporting data as may be required for the proper review of the plans.

3.3 The pool and/or beach facilities shall be built in accordance with the plans as approved unless changes have been submitted in writing and approved. The pool and/or beach shall not be placed in operation until compliance with the requirements of these regulations.

3.4 The criteria followed by the Department of Health in the review and approval of plans shall be in accordance with the standards set forth in "Design, Regulations, and Criteria for Public Swimming Pools and Bathing Beaches in Baltimore County" as approved by the Board on April 22, 1969, and accompanying this ACT. Said regulations are hereby adopted and incorporated by reference in this subsection as if fully set forth herein.

(d) PERMITS TO OPERATE

4.1 No person shall operate or maintain a public swimming pool or bathing beach unless he has obtained a permit to operate such pool or beach from the Department of Permits and Licenses. Such permits shall be obtained by May 1, and shall be valid for one year unless otherwise revoked. Only persons who comply with these regulations shall be entitled to receive and retain such a permit. Such permits are not transferrable. The Department of Health may recommend suspension of any permit for failure to comply with proper operational procedures as set forth in "Design, Regulations, and Criteria for Public Swimming Pools and Bathing Beaches in Baltimore County" referred to in this Act. The Department of Permits and Licenses may revoke the permit upon recommendation of the Approving Authority.

(e) HEALTH AND SAFETY.

5.1 No person having a communicable disease shall be employed at a public swimming pool or bathing beach, and all patrons or swimmers suspected of having such a disease shall be excluded.

5.2 Appropriate facilities shall be provided for the safety of bathers as may be required by the Approving Authority. Competent lifeguard service shall be provided during all swimming periods. A competent lifeguard shall be one who holds a current American Red Cross Senior Lifesaving Certificate or its equivalent. There shall be a minimum of one lifeguard and an adequate number of additional lifeguards as required by the Approving Authority.

5.3 Every swimming pool or beach shall be under the supervision of a capable individual who shall assume the responsibility for compliance with all parts of this Act relating to pool operation and maintenance, and safety of bathers. A capable individual is one who has successfully completed a course for pool operators as recognized by the Approving Authority. OR WITH FIVE CONSECUTIVE YEARS OF POOL MANAGEMENT TO THIS DATE. This operators course shall be mandatory by May 1, 1971.

(f) INSPECTION.

6.1 The Department of Health is authorized to conduct such inspection as it deems necessary to insure compliance with all provisions of this Act, and shall have right of entry at any time the pool is open and operational.
