

*determined in accordance with good commercial practice and are so determined and represented as to be accurate and informative to all parties at interest.*

19. Same—Declarations on packages [.] ; *declaration of unit price on random packages.*

Except as otherwise provided in this subtitle, any commodity in package form shall bear on the outside of the package a definite, plain, and conspicuous declaration of [(1) the net quantity of the contents in terms of weight, measure, or count, and (2) in the case of any package not sold on the premises where packed, the name and place of business of the manufacturer, packer, or distributor. Provided, that under clause (1) the Superintendent shall, by regulation, establish reasonable variations or tolerances to be allowed, and also exemptions as to small packages.] *(1) the identity of the commodity in the package unless the same can easily be identified through the wrapper or container, (2) the net quantity of the contents in terms of weight, measure, or count, and (3) in the case of any package kept, offered, or exposed for sale, or sold in any place other than on the premises where packed, the name and place of business of the manufacturer, packer, or distributor, as may be prescribed in regulation issued by the Superintendent. Provided, that, in connection with the declaration required under clause (2), neither the qualifying term "when packed" or any words of similar import, nor any term qualifying a unit of weight, measure, or count (for example, "jumbo," "giant," "full," and the like) that tends to exaggerate the amount of commodity in a package shall be used. And provided, further, that under clause (2) the Superintendent may, by regulation, establish (a) reasonable variations to be allowed, which may include variations below the declared weight or measure caused by ordinary and customary exposure, only after the commodity is introduced into intrastate commerce, to conditions that normally occur in good distribution practice and that unavoidably result in decreased weight or measure, (b) exemptions as to small packages, and (c) exemptions as to commodities put up in variable weights or sizes for sale intact and either customarily not sold as individual units or customarily weighed or measured at time of sale to the consumer. In addition to the declarations required by this section, any commodity in package form, the package being one of a lot containing random weights, measures, or counts of the same commodity and bearing the total selling price of the package, shall bear on the outside of the package a plain and conspicuous declaration of the price per single unit of weight, measure or count. ANY REGULATION ADOPTED HEREUNDER SHALL NOT CONFLICT WITH THE PROVISIONS OF ARTICLE 83, SECTION 21E, AND THE RULES OR REGULATIONS ADOPTED THEREUNDER.*

20. Same—Misleading packages [.] ; *advertising packages for sale.*

No commodity in package form shall be so wrapped, nor shall it be in a container so made, formed, or filled, as to mislead the purchaser as to the quantity of the contents of the package, and the contents of a container shall not fall below such reasonable standard of fill as may have been prescribed for the commodity in question by the Superintendent. *Whenever a commodity in package form*
