The compensation and expenses of the members and officers of said Board, and all expenses, including office help and professional advice, and services which, in the opinion of said Board, are proper and necessary to discharge its duties and to enforce the law, shall be paid out of such fund upon the approval of the chairman of said Board. The salaries shall be paid by the Board at the rate per diem of actual service herein provided and traveling expenses, in accordance with [State regulations,] THE STANDARD TRAVEL REGULATIONS, shall be allowed to members of the Board for attendance at Board meetings. Said Board may also employ inspectors and examiners to assist the Board in the discharge of its duties. The compensation of the inspectors and examiners shall be as provided in the annual State budget, but in no event less than fifteen dollars (\$15.00) nor more than twenty-five dollars (\$25.00) for each day employed in the discharge of their official duties.

SECTION 2. AND BE IT FURTHER ENACTED, That Section 169 of Article 48 - Inspections, of the Annotated Code of Maryland (1971 Replacement Volume and 1974 Supplement) be and it is hereby repealed and re-enacted, with amendments, to read as follows:

Article 48 - Inspections

169.

There is hereby created within the Division of Labor and Industry a Board of Boiler Rules, referred to hereafter as the "Board," consisting of seven members, which shall be appointed by the Governor with the advice of the Secretary of Licensing and Regulation, and with the advice and consent of the Senate. Among the members of the Board shall be one representative of the owners and users of power boilers, one representative of owners and users of heating boilers, one representative of owners and users of pressure vessels, one representative of manufacturers or assemblers of boilers or pressure vessels, one representative of a company licensed to insure boilers or pressure vessels, a mechanical engineer on the faculty of a recognized engineering college within the State, and a licensed professional engineer having boiler or pressure vessel experience. The chairman of the Board shall be appointed by the Governor, with the advice of the Secretary, to serve in that capacity at the pleasure of the Governor. Each member of the Board shall be appointed for a term of four years to serve until his successor is appointed and qualifies. Of the members first appointed, two shall be appointed for a term of two years, two for a term of three years, and one, the
