TITLES AND MESSAGES

for the

BILLS VETOED

by the

Governor of Maryland

following the

1975 Regular Session

of the

General Assembly of Maryland

---

NOTE

Eighty-nine bills were vetoed by the Governor following the 1975 Regular Session of the General Assembly. Thirty-one of these bills originated in the Senate, and 58 of them originated in the House of Delegates. Pursuant to the provisions of Section 17 of Article II of the Constitution of Maryland, these bills will be returned to the General Assembly immediately after the Legislature has organized at the next Regular or Special Session, to be reconsidered in order to determine whether the veto is sustained or overridden.

These veto messages include one for House Bill 281, which was signed by the Governor to become Chapter 886. That bill is the Capital Improvement Bond Bill, and five items therein were given an item veto by the Governor. At the time the other vetoes are submitted to the General Assembly, the five item vetoes in this bill also will be presented for a vote on sustaining or overriding the five item vetoes in Chapter 886 (House Bill 281).
