exercise review and oversight over the operations and activities of the Health Department. Although there should be appropriate representation of Board members on this standing committee, non-members also should be permitted to serve on the committee. In this manner, the committee should be able to devote the necessary time and attention to the Health Department without impairing the other time-consuming duties and responsibilities of the Board.

4. Effective date and implementation of legislation.

The Council deems it essential for the protection of the health and safety of the community that Bill 16-73 take effect and be implemented as quickly as possible. In this regard, the Council has designated this bill as emergency legislation to take effect on the date on which it becomes law. The Council sincerely hopes that the County Executive and other concerned individuals and groups cooperate to the fullest extent to see that the Health Planning Advisory Board and the supporting staff are appointed promptly and that the various other provisions of the bill are implemented without delay.

Resolution No. 7-1795

Subject: Coverage of Mobile Homes Under Fair Landlord-Tenant Relations Law - Statement of Legislative Intent - Bill No. 72-73

WHEREAS, The County Council for Montgomery County, Maryland, on June 13, 1972, enacted legislative Bill No. 19-71, the "Fair Landlord-Tenant Relations Bill", subsequently codified as Chapter 29, Montgomery County Code 1972, as amended; and

WHEREAS, As originally enacted, the provisions of the "Fair Landlord-Tenant Relations Law" extended only to multi-family apartment dwelling facilities and did not include the rental of mobile homes or real property on which mobile homes are located, and

WHEREAS, Subsequent to the enactment of Bill No. 19-71, it appeared necessary, considering, among other things, the number of complaints received by the Office of Landlord-Tenant Affairs concerning the rental of mobile homes and mobile home space, to extend the coverage of the "Fair Landlord-Tenant Relations Law" to include mobile homes and mobile home space, and to this
