

Multiservice Center/District Court Buildings before February 15, 1978 a master space and functional relationship program, as recommended in the consultant's report, to serve as the design basis for all Level 2, 3, and 4 Multiservice Centers and to provide standards necessary for program development for individual Level 1 Multiservice Centers; and be it further

RESOLVED, That the General Assembly, in acting upon any requested appropriation for Multiservice Center/District Court Buildings must consider the position of the Governor as offered in the master plan and express legislative intent for implementing the Multiservice Center/District Court Building concept for the ensuing fiscal year and all subsequent fiscal years.

Approved April 29, 1977.

No. 11

(Senate Joint Resolution 11)

A Senate Joint Resolution concerning

Port Retrievers Clean-up Vessels

FOR the purpose of requesting the Department of Natural Resources to study the possible use of port retrievers clean-up vessels for cleanup of the waterways of Maryland.

A watercraft designed for cleanup of tidal waterways has been used successfully in various parts of the United States. It ~~is called a port retriever and~~ consists of a mobile scoop built into a catamaran style boat.

The waterways of Maryland at various seasons of the year are most susceptible to accumulations of litter and debris, and fish kills; now, therefore, be it

RESOLVED BY THE GENERAL ASSEMBLY OF MARYLAND, That the Department of Natural Resources is requested to study the possible use of port retrievers clean-up vessels for cleanup of the waterways of Maryland; and be it further

RESOLVED, That copies of this Resolution be sent to the Department of Natural Resources.

Approved May 17, 1977.
