

The unemployment rate in this State, when determined for the State as a whole, is now low enough that the State is no longer eligible for Federal Unemployment Compensation Extension relief.

However, there are many areas in this State where unemployment is at critical levels, reaching as much as 10 percent of the work force; now, therefore, be it

RESOLVED BY THE GENERAL ASSEMBLY OF MARYLAND, That the Maryland Congressional Delegation be requested to take note of this condition, and take action which would permit the granting of extension relief on a regional, rather than a State basis; and be it further

(House Joint Resolution 80)

A House Joint Resolution concerning

American Development Controlled Fusion Policy

FOR the purpose of requesting the Congress of the United States to support certain scientific endeavors.

The United States has a unique role to play in the world as a leading force for scientific and technological innovation and ~~advanced agricultural and industrial production. The rights and responsibilities this involves were secured through hard fought battles in the American Revolution up through the Civil War.~~

~~Yet at this time there are these policymakers, who, through their adherence to "zero growth" and other forms of austerity on behalf of what are known as monetarist policies, would act to subvert the historic American commitment to progress. These interests would demobilize the American economy by implementing programs of~~
