

[146.]

[All funds derived from the issuance of licenses as aforesaid and all funds received in the form of fees from seizure and impounding of dogs as aforesaid shall be turned over to the County Treasurer not less than once each month and shall become a part of the general funds of the County.]

(Note: The provisions of this section seem to be placed logically in Article 56, Section 197. This section is proposed to be placed in that section as a new subsection (e), therefore.)

[147.]

[Whenever the County Commissioners of Calvert County are of the opinion that the health, welfare and safety of the citizens of Calvert County require, the Commissioner may by resolution provide for quarantine of all dogs, and they may make such further rules and regulations concerning dogs as they may deem necessary.]

(Note: This section is proposed for repeal and its provisions are to be transferred to Article 56, Section 200 of the Annotated Code.)

[148.]

[The County Commissioners of Calvert County shall have the power in their discretion to make from time to time all necessary rules and regulations for the sale of dog licenses, the keeping of records of such licenses, and the convenient and effective enforcement of the provisions of this sub-title.]

(Note: This section is proposed for repeal and its provisions are to be transferred to Article 56, Section 200 of the Annotated Code.)

[149.]

[Any person violating or refusing to comply with any of the provisions of this sub-title or any rules or regulations passed in pursuance thereof, shall be guilty of a misdemeanor, and upon conviction thereof shall be fined not more than Fifty Dollars (\$50.00) or imprisoned in the County jail for not more than sixty (60) days, or both. It shall be the duty of the State's Attorney, the dog warden, and his deputies to prosecute all persons found violating the law by refusing to comply with its provisions.]

(Note: This section is proposed for repeal inasmuch as its provisions are covered substantially by Article 56, Section 199. That section is being amended by this bill to reflect the slight variance in the provisions relating to Calvert County.)
