

c. One member designated by each of the following persons or agencies: the Governor, the Public Service Commission, the Comptroller of the Treasury, the Administrator of the Mass Transit Administration, the Administrator of the Motor Vehicle Administration, the Superintendent of Maryland State Police and the Secretary of General Services.

2. The Task Force is charged with:

a. Preparing and reviewing contingency Executive Orders relating to energy allocation and conservation;

b. Reporting periodically to the Governor and the Joint Committee on Administrative, Executive and Legislative Review of the General Assembly on the energy supply situation, the need for implementation of Executive Orders and other energy conservation measures;

c. Recommending to the Governor the appropriate allocation of responsibility among state agencies for the administration and enforcement of Executive Orders and other energy conservation measures; and

d. Consulting as appropriate with the advisory groups above mentioned.

-----

EXECUTIVE ORDER OF APRIL 20, 1979

01.01.1979.04

WHEREAS, The Governor of Maryland did on November 14, 1973, proclaim that by reason of an energy shortage with both immediate and long-term consequences, a situation existed warranting the exercise of his authority under Article 41, Section 15B of the Annotated Code of Maryland; and

WHEREAS, The health, safety or welfare of the citizens of this State continues to be threatened by an impending acute shortage of usable energy resources; and

WHEREAS, The President of the United States on April 5, 1979 directed the attention of the public to the
