

carrying out the provisions of this article, INCLUDING ISSUANCE OF ORDERS, in that county or municipal corporation. Where there is no legally designated fire marshal in a county or municipal corporation, the State Fire Marshal shall carry out the provisions of this article therein.

8.

(a) The State Fire Marshal shall enforce all laws of the State having to do with:

(1) Prevention of fire.

(2) The storage, sale, and use of any explosive, combustible, or other dangerous article, in solid, liquid, or gas form.

(3) The installation and maintenance of equipment of all sorts intended for fire control, detection, and extinguishment.

(4) The means and adequacy of exit, in case of fire, from buildings and all other places in which persons work, live, or congregate from time to time for any purpose, except buildings used wholly as dwelling houses containing no more than two families.

(5) The suppression of arson.

(b) The State Fire Marshal shall assist any chief of any recognized fire company or department, or any legally designated fire marshal of a county or municipal corporation, or other State, COUNTY, OR MUNICIPAL agencies in fire prevention matters, upon request.

(c) The State Fire Marshal shall enforce the regulations promulgated by the State Fire Prevention Commission as authorized by § 3 of this article.

(d) The State Fire Marshal shall inspect all State, county, and municipally owned institutions, all schools, theatres, churches and other places of public assembly as to fire exits and reasonable safety standards and report his findings and recommendations to the proper administrative heads.

(e) (1) The State Fire Marshal may at all reasonable hours enter any building or premises except those actually occupied for private dwelling purposes within his jurisdiction for the purpose of making an inspection, which, under the provisions of this article, he may deem necessary to be made.

‡(2) Subject to regulations promulgated by the Fire Prevention Commission, a representative of the employer
