If any Natural Resources Police officer or any law enforcement officer has probable cause to believe that any person possesses any fish or any device in violation of this title, the officer shall go before any District Court judge of the county in which the fish or device is supposed to be and make affidavit to that fact. If the judge finds the affidavit legally sufficient, he shall issue a search warrant against the person complained of, directed to the officer making the affidavit, commanding him to proceed at once and search for the fish or device and, upon finding it, to seize, take possession, and keep it until further order by the judge. The warrant shall be executed pursuant to Rule [707] 780 of the Maryland Rules of Procedure or Rule [707] 780 of the Maryland District Rules. The warrant shall be returned within five days from the issuing date or within a shorter period of time as set forth in the search warrant.

(b) Each person to whom this subtitle applies shall:

(5) Provide for leases and timber cutting rights. The provisions of this subtitle and any rule or regulation promulgated under it apply to the owner of the land or stumpage, and to any person whose operation is in timber, trees, or wood held under a lease or cutting rights on June 1, 1943. However, due consideration shall be given to ownership equities existing on June 1, 1943, in order to avoid causing unreasonable hardship. Any lease or cutting right entered into after June 1, 1943, is unreservedly subject thereto. Any owner or operator on his own forest property or property leased to him, may develop and inaugurate his own alternate plan of management and employ standards and methods to accomplish the purpose of this subtitle, as specified in paragraphs (2), (3), and (4) of this [section] SUBSECTION, provided the plan is submitted on forms the Department furnishes to the board having jurisdiction and the board accepts the plan as one which gives reasonable assurance of accomplishing the purposes of this subtitle. In arriving at its decision, the board shall consider, among other factors, economic conditions of the area in which the land is situated, the valuation and rates for tax purposes, and social and economic effects of the proposed alternate plan. A landowner may present working plans for cutting and management of his forest to the board for approval. These plans shall be for the period prescribed by the Department. The Department shall furnish the necessary forms. Free advice and assistance of the Department is available to forest owners as far as possible; and
