

(ii) The methods for the care and preparation of a dead human body for burial, cremation, and shipment;

(iii) The general and local laws of this State on burials and burial permits; and

(iv) The laws and regulations on infectious diseases.

(2) In the practical part of the examination:

(i) The Board shall provide a dead human body; and

(ii) In the presence of at least one third of the licensed members of the Board, each applicant shall demonstrate the applicant's knowledge and skill in embalming.

(3) The written part of the examination [may be:] IS THE [(i) The] national examination administered by the Conference of Funeral Service Examining Boards of the United States[; or].

[(ii) An accredited examination prepared by the Conference of Funeral Service Examining Boards of the United States.]

(4) If an examination otherwise complies with the requirements of this section, the Board may determine the subjects, scope, form, and passing score for an examination given under this subtitle.

SECTION 2. AND BE IT FURTHER ENACTED, That this Act shall take effect July 1, 1984.

Approved May 15, 1984.

CHAPTER 364

(Senate Bill 754)

AN ACT concerning

Access to Information About Hazardous and Toxic Substances

FOR the purpose of defining certain terms; requiring employers to develop, obtain, and maintain certain information regarding hazardous and toxic substances; requiring that this information be maintained in a certain form; requiring certain manufacturers and distributors to provide to
