

340.

The practice of or offer to practice land surveying for others [as defined] by individual land surveyors registered under this article through a corporation as officers, employees, or agents, or through a partnership as partners, officers, employees, or agents, or the offering or rendering of land surveying services by a corporation or partnership through individual land surveyors registered under this article is permitted, subject to the provisions of this article; provided that no such corporation or partnership shall be relieved of responsibility for conduct or acts of its agents, employees or officers by reason of its compliance with the provisions of this section, nor shall any individual practicing land surveying as defined be relieved of responsibility for land surveying services performed by reason of his employment or relationship with such corporation or partnership.

404.

This subtitle does not apply to:

(4) The offer or sale of a business, which offer or sale is regulated by the Gasoline Products Marketing Act, Annotated Code of Maryland, Commercial Law Article, TITLE 11, Subtitle 3, or the Petroleum Marketing Practices Act, 15 U.S.C. 2801; or

407.

(d) A person is not excused from attending or testifying or from producing any document or record before the Commissioner, or in obedience to the subpoena of the Commissioner or any officer designated by him, or in any proceeding instituted by the Commissioner, on the ground that the testimony or evidence required of him may tend to incriminate him or subject him to a penalty or forfeiture. However, an individual may not be prosecuted or subjected to any penalty [to] OR forfeiture for or on account of any specific subject concerning which he is compelled after claiming his privilege against self-incrimination as to that specific subject, to testify or produce evidence, documentary or otherwise, except that the individual testifying is not exempt from prosecution and punishment for perjury or contempt committed in testifying.

444.

(b) For Carroll and Frederick counties, the regulations shall require that all utility work, meaning the installation of waterlines, sanitary sewers, storm drainage and related appurtenances, done from the property line of any property to a point not less than five feet from the foundation wall of any building or structure on the property shall be performed only under a valid permit and by a utility contractor who is licensed
