**DRAFTER'S NOTE:** This correction adds the disjunctive "or" before the last two items in a series in Article 48A, § 182(d), for clarity.

Ch. 59 of the Acts of the Regular Session of the General Assembly of 1985 failed to add the disjunctive "or", leading to a possible ambiguity.

The correction was suggested by the State Attorney General in his bill review letter of April 1, 1985.

354DD.

Each group or individual medical or major medical contract or certificate issued or delivered within the State by a nonprofit health service plan and which provides pregnancy-related benefits, may not exclude benefits for all outpatient expenses arising from in vitro fertilization procedures performed on the subscriber or the subscriber's dependent spouse, provided that:

(6) The in vitro fertilization procedures are performed at medical facilities that conform to the American College of [Obstetric and Gynecology] OBSTETRICIANS AND GYNECOLOGISTS guidelines for in vitro fertilization clinics or to the American Fertility Society minimal standards for programs of in vitro fertilization.

**DRAFTER'S NOTE:** This corrects a reference to the American College of Obstetricians and Gynecologists in Article 48A, § 354DD(6).

Ch. 237 of the Acts of the Regular Session of the General Assembly of 1985 incorrectly referred to the "American College of Obstetric and Gynecology".

The error was noted by the Computer Division of the Department of Legislative Reference.
