

completed consultant study to a joint legislative committee no later than October 1, 1986. The joint legislative committee shall consist of members appointed from the House Appropriations and Senate Budget and Taxation Committees. The consultant study shall address: the organization, management of the MED-EVAC program, the MED-EVAC equipment requirements including the need for additional helicopters and communication equipment, an analysis of alternative types of helicopters required for the MED-EVAC system and/or other state police missions, where the helicopters should be stationed or deployed, the training and staffing of helicopter pilots and MED-EVAC personnel and whether pilots and medical technicians who ride the helicopters should be uniformed state police or civilian personnel. The joint legislative committee shall review the consultant's recommendations, make additional recommendations as appropriate and submit its recommendations prior to the 1987 Session of the General Assembly.
